

Parish Family Album 2010

Q and A

Why create this Parish Family Album ?

8

This book is a celebration of our 30 year anniversary as a parish. It will feature Santiago's history, including all the priests we have had for the last 30 years. The album will also introduce all the liturgical ministries and all our parishioners. A wonderful keepsake to treasure.

Why sign up for a family portrait ?

The professional sitting is free, and you will receive a free 8"x10" individual or family portrait on fine Irish linen (endure paper) as a memory to cherish forever. In addition, as a registered parishioner, you get the Parish Family Album for free.

Why be a part of this the Picture Directory

It will help us continue to build a unified parish. You will find it an invaluable resource for remembering and locating parish families and faces.

How do we protect our privacy ?

NO address, phone number, or email address of the parishioners will be published. Only the portrait with member's name(s) will be printed. Inclusion of children's names are optional.

Can we sign up other family members and friends, even if they are not Santiago parishioners ?

Yes—they too, get a free sitting. And they will each receive a free 8x10" portrait. They won't, however, get the directory. Our parish gets their allocation.

What if we take a fabulous family portrait and wish to purchase extra pictures ?

You will be able to preview your photos during the same sitting time and purchase extra portraits or Christmas cards. However, there is no obligation to do so.
