

Santiago De Compostela Sunday School Nursery Policy

1. Sunday School Nursery will be held from September thru June in accordance with the regular school year.

2. The Sunday School Nursery is for children ages 12 months to 3 years (if not potty trained)

3. Diaper Bags

Parents should provide a bag with necessary supplies for their child and the bag must be labeled. Juice cups or bottles and snacks must also be labeled with the child's name.

Allergies – Parents with Children who have specific food allergies must provide their own snacks that are clearly labeled with their child's name.

4. Supervision

There will be one director on site and at least 2 co-op parents. Parents should sign up at least once per month. We reserve the right to recruit more help at the time if needed.

5. Sign-in/Sign-out and Pager assignment

Parents will sign-in their children upon arrival and sign them out to pick them up.

Each parent will be given a numbered silent pager. This will serve as the parent's security to retrieve their child in addition to sign in/out and also as a way for the Nursery supervision to contact the parents during Mass.

6. Diaper Changing

The on-site supervision are **not** allowed to change a child's diaper and/or take him/her to the restroom to use the restrooms. The on-site supervision will page you to return to the Nursery to change the diaper/take the child to the restroom.

We understand and agree to the above policy.
